### Notice of Revision of Full-Year Earnings Forecasts for the Fiscal Year Ending March, 2026

We hereby announce that, at a meeting of the Board of Directors held on 11/12/2025, we have resolved to revise our full-year financial forecasts for the fiscal year ending March 2026 (April 1, 2025 - March 31, 2026), which were announced on May 14, 2025, as follows:

#### Particulars

#### 1. Revisions to the forecast of financial results for the current fiscal year (April 1, 2025 to March 31, 2026)

	Operating revenue	Operating profit	Ordinary income	Net income for the year	Net income for the year (Per share)
Previous forecast (A)	Millions of yen 113	Millions of yen △397	Millions of yen △360	Millions of yen △362	Yen Sen △28.52
Revised forecast (B)	133	△380	△343	△345	△27.18
Increase (Decrease) (B-A)	20	16	16	16	
Increase (Decrease) (%)	17.6	—	—	—	
(Reference) Results for the previous period (Fiscal year ended March, 2025)	132	△178	△178	113	8.92

#### 2. Reason for revision

We have revised our financial results due to the expected receipt of a 20 million yen lump-sum payment from NIPRO CORPORATION following the extension of our joint development agreement.

For further details, please refer to the “Announcement of Amendment to the Joint Development Agreement with NIPRO CORPORATION (Term Extension and Receipt of Lump-Sum Contract Payment) for the Commercialization of an ‘AI-based Programmed Medical Device for Supporting Maintenance Hemodialysis,’” disclosed on October 30, 2025.

\*The above forecast is based on judgments and assumptions made in light of information available as of the publication date of this document. Actual results may differ from these forecasts due to various future factors.
